2014/2015 fall **TIMETABLE** **Medical Biotechnology MSc 1st semester**

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	
8.00-8.45						8.00-8.45
9.00-9.45			**Biochemistry lecture** Medical Biotechnology lecture room		**Introduction to molecular and cell biology practice** Department of Medical Biology lab	9.00-9.45
10.00-10.45	***On weeks 1., 3., 5., 7., 9., 11., 13.*** **Genetics seminar** Medical Biotechnology lecture room	**Human physiology lecture** Institute of Physiology library	**Biochemistry practice** Department of Biochemistry and Medical Chemistry	**Introduction to economics lecture and practice** Medical Biotechnology lecture room		10.00-10.45
11.00-11.45						11.00-11.45
12.00-12.45	**Human physiology practice** Institute of Physiology practice room "C"		***On weeks 2., 4., 6., 8., 10., 12., 14.*** **Genetics practice** Szentágothai Research Centre	**Biophysics lecture** Department of Byophysics seminar room	**Biophysics practice** Department of Byophysics	12.00-12.45
13.00-13.45		**Introduction to molecular and cell biology lecture** Medical Biotechnology lecture room				13.00-13.45
14.00-14.45	***14:00 - 17:15*** **Informatics lecture and practice** Medical Biotechnology computer room	**Genetics lecture** Lecture room II.		**Ethics in biotechnology** Medical Biotechnology lecture room		14.00-14.45
15.00-15.45		**Biochemistry lecture** Medical Biotechnology lecture room		**Business law** Medical Biotechnology lecture room		15.00-15.45
16.00-16.45		**Management lecture and practice** Medical Biotechnology lecture room				16.00-16.45
17.00-17.45						17.00-17.45
18.00-18.45						18.00-18.45
19.00-19.45						19.00-19.45
