

POE point system

from the 2017/18 academic year

1. Grades

Maximum 100 points for grade averages

- average of the last two semesters' weighted credit index x 10 (maximum 50)
- average of the last two semesters' corrected credit index x 10 (maximum 50)

If the grade averages are better than 5.0, extra points can be given regarding the scholastic record. Points can be administered in the case of verification attachment.

2. Language exams

Minimum 16, maximum 50 points for language certificates.

- Language exam organized by the Language Department: 2 points but the exam itself does not fulfil the application requirements.
- Regarding a particular language, only the exam with the highest level can be accepted. The maximum score per one language is 24.
