

***Attention Students  
on the General Medicine Program!***

**Kaplan USMLE Step 1 preparatory course fellowship available  
exclusively at the University of Debrecen!**

Third time in a row, University of Debrecen with the assistance of Kaplan Medical offers USMLE Step 1 preparatory course. This year the University of Debrecen provides limited number of fellowships exclusively for the course. The grant can be used either for the course or the accommodation. The amount might go up even to 70% of the course-fee.

The 7 week-course includes Anatomy, Biochemistry, Behavioral Science, Immunology, Medical Genetics, Microbiology, Pathology, Pharmacology, Physiology lectures. The teachers are the same who give the lectures in the USA.

If you are interested in this great opportunity and you are in your 3<sup>rd</sup> year or higher, please send your:

- transcript
- CV
- motivation letter

to the below mentioned address or to [usmle-prep@edu.unideb.hu](mailto:usmle-prep@edu.unideb.hu) till 22<sup>nd</sup> April, 2011.
